

As a New Jersey Resident I am very pleased with the effectiveness of New Jerseys Do Not Call Laws. I'm tired of telemarketers that call and call and call even after you have told them to put you on their DO NOT CALL LIST. So I signed up for the NJ Do Not Call List and I have not had another call from telemarketers again. When I signed up on the Do Not Call List I was working nights and while trying to sleep during the day I would get at a minimum 8 Telemarkert calls a day. Thusly keeping me from my much needed rest after working a 12-16 hour Night. If the FCC tries to strike down NJ Do Not Call regulations you will once again put every NJ resident back on to the Call List of all those anoying Telemarketers. If I wanted new siding, windows, car insurance, magazine subscriptions, cable, newspapers and many other items I would call to get them myself. I DO NOT NEED THEM CALLING ME. LEAVE NJ DO NOT CALL LAWS ALONE!!!!!!!!!!!!!!!!!!!!!!
